KEY TO THE FUTURE

DEDICATION

With thoughts of our great parents and love for three teachers who have done so much for us, we, the class of 1961 dedicate our annual to our parents and three retired teachers, Mrs. Ophelia Parker, Miss Fletta M. Gayle and Miss Allie Jordan. Without their guidance and understanding and discipline, our past years would not have been a success.

Office of the Superintendent

SUFFOLK PUBLIC SCHOOLS
SUFFOLK, VIRGINIA

Congratulations to pupils on the staff, faculty sponsors, schoolmates and interested friends of the Booker T. Washington High School in making possible this 1961 edition of the high school annual.

It is our hope that this book will be an attractive and valuable storehouse of memories for all those persons attending the Booker T. Washington High School and that it will serve to recall in later years fond recollections of many valuable experiences in all aspects of the educational program at your Alma Mater.

PRINCIPAL'S MESSAGE

Greetings:

It is once again that I wish to thank teachers, pupils, patrons, and friends who have played any part in making this publication in our school, a success.

There is no doubt that, little thoughts included herein will serve to give you a real source of pleasure in the years to come. I sincerely congratulate you on your efforts.

LET'S FACE THE FACTS

Everything expands and changes; and so does our knowledge of Chemistry, Physics, Mathematics and Biology, but what about your views? We have learned a lot about plain old facts: How respiration works, a lot about how photosynthesis works (but not all) a lot about how the different amino acids are made and a great deal about genetic material.

The frontiers of our knowledge in Chemistry, Physics, Mathematics and especially in the field of Biology are advancing more rapidly than is the breadth of wisdom and interest of Biology departments. You, the promising young Biologist of tomorrow, will need more wisdom in quantum Chemistry, symbolic logic, systems analysis, mathematics and basic Physics to solve the complex problems of Biology. Whatever profession you choose will demand competence in the sciences.

Best wishes to each of you upon the beginning of your new career.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "H. M. Bass". The script is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

CLASS SONG

The time has come when we must leave thee Booker T.
For we can linger no more with thee
Within our hearts you'll always be a guiding light
To help us see along the road of life.

Dear Alma Mater there are no words to express
The many ways you've guided us to success
Forever and always remember us Oh Booker T.
Dear Booker T. our hearts will always remain with thee.

CLASS POEM

Our dear school is a foundation of knowledge's
where this class and passed classes have dwelled.
It's corridors exemplify memories of good cheer,
victories, and hardships as well.

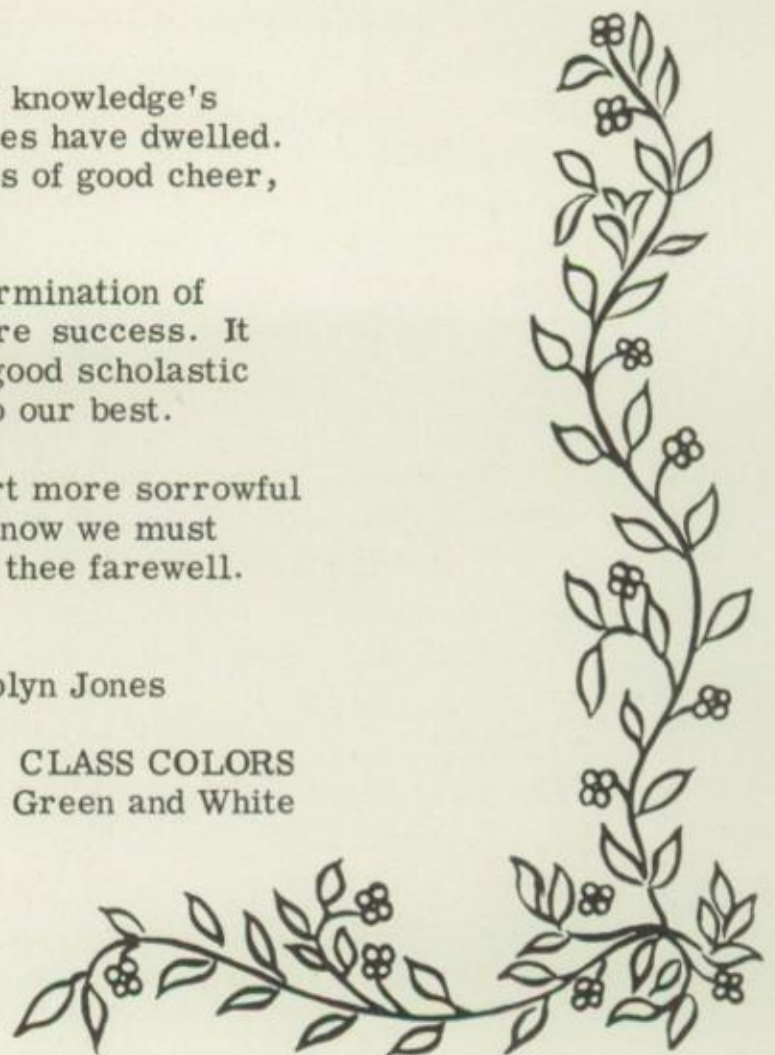

Our dear school, built by the determination of
man, holds the answer to our future success. It
implants in us the importance of good scholastic
ability and the determination to do our best.

So sadly has come the time to part more sorrowful
than hearts and tears can tell for now we must
look upon our dear school and bid thee farewell.

CLASS HISTORY

In the year of 1949 on a September morning this present Senior class started out on their high voyage of twelve years. We started out in three sections under the wonderful guidance of Mrs. Mobley, Mrs. Barret, and Mrs. Custis. Under these three ladies we built courage which developed into a wonderful foundation for our long journey.

At our second port we began adding new crew mates. The new crew members consisted of Brenda Whitney, Brenda Williams, and Catherine Byrd.

At our fourth port we lost Alton Brenda Langston and Margaret Reid.

From then on our voyage was smooth sailing until we changed course. Our new route was the New Booker T. Washington Building, which started off our busy life. Brenda Whitney, Bettie Robinson, Evelyn Edwards, Catherine Byrd, and Emogene Butts became members of the band. The teachers that guided us throughout that year were Mrs. Moss, Mrs. Johnson and Mrs. Newton.

As we cruise to our seventh port our new captains became Mrs. Jones, Mrs. Parker, and Mrs. Holman. Evelyn Byrd was "Miss Elementary."

As we left there our courses changed slightly to the high seas where Mr. Richards, Miss Brown and Mr. Sneed became captains to the crew. This was a very exciting period for us. Linwood Beamon joined the J. V. Basketball team.

At our ninth port we were happier still, for this was our first year in high school. Evelyn Edwards, Bettie Robinson, Brenda Whitney, Barbara Biggs, Carolyn Jones, Joyce Lamb, Evelyn Byrd, and Brenda Williams joined the choir. Linwood Beamon, James Harris, Casper Cheeks, and Joe Lewis became members of the football team. To the varsity basketball we added Linwood Beamon, and

to the junior varsity we added Casper Cheeks and James Wilson. We gained also to our mates and crew Macolzer Brown. To our ship of courage our new captains Miss Florence Oliphant, and Mr. Joseph Parker. Brenda Whitney, Emma Butts and Evelyn Byrd joined the basketball team.

The tenth grade was headed off by Evelyn Byrd and Essie Garris becoming majorettes; Edna Mason was drum majorette. Also Evelyn Byrd was Miss Christmas Seal. At the end of the tenth grade we lost Betty Wilkins, Christina Jones, Albert Sears and Jacqueline Riddick. Barbara Biggs and Doretha Davis became members of the girls basketball team. LaVern Brown, Margaret Tillery and Barbara Biggs joined the cheering squad. Jeanne Jones was news reporter for the school; Andrew Littlejohn and Douglas Parker joined the football team.

At our eleventh port we added Mr. Walter Parker as our Captain. At this time we gave our Junior-Senior Prom with excitement, and pleasure. Miss Betty Robinson journeyed to Tennessee to represent our school in the N.H.A. Evelyn Edwards and Evelyn Byrd were Miss Homecomings attendants. Evelyn Edwards was voted president of the Student Body Association. We closed our junior year with much excitement by becoming Seniors.

Well at last here we are !!!!!!! Oh happy are we to be seniors! Miss Evelyn Byrd was chosen Miss Homecoming by the football team. Catherine Byrd was crowned as Miss Booker T.

We close our happy but ending 12 years by saying "Bon Voyage."
